Speech Language School Based Services

SLP Supervision Requirements Supervision of SLP Aide, and unlicensed SLPs must be provided by an SLP who has a state license from Idaho Bureau of Occupational Licenses and their CCC's from ASHA or within one year of receiving their ASHA CCC's. The licensed SLP must observe and review the direct services performed by the SLP Aide, SLP Assistant, and unlicensed SLP on a monthly basis, or more often as necessary, to ensure the SLP Aide, SLP Assistant, and unlicensed SLP demonstrates the necessary skills to correctly provide the SLP service. The school must have documentation of the supervision and what the SLP observed and reviewed during their supervisory visit.

Student Eligibility

To be eligible for therapy services, a participant must be eligible for Medicaid benefits and have:

- A physician order (recommendation or referral) for therapy services; and
- A therapy evaluation showing a need for therapy due to a functional limitation, a loss or delay of skill, or both; and
- A therapy evaluation establishing that the student will benefit and demonstrate progress from therapy services.
